OUR STORY

Our founders noticed a shift in the way people shop and buy. From this shift, a company was born: Greatsite. It was founded on "inbound", the notion that people don't want to be interrupted by marketers or harassed by salespeople — they want to be helped.

OUR VISION

There's this notion that to grow a business, you have to be ruthless. But we know there's a better way to grow. One where what's good for the bottom line is also good for customers. We create movement to empower businesses around the world to return their focus to the customer.

OUR MISSION

We believe businesses can grow with a conscience, and succeed with a soul — and that they can do it with inbound. That's why we've created an ecosystem uniting software, education, and community to help businesses grow better every day.
